ABC CITES 2 CLERKS FOR SELLING ALCOHOL TO MINORS IN YOLO COUNTY

(Yolo County) – Investigators from the Sacramento District Office of the Department of Alcoholic Beverage Control cited two clerks Sunday, May 22, 2005 for selling alcohol to minors. The department conducted a minor decoy operation in the unincorporated areas of Yolo County. A 16-year old decoy attempted to make an alcoholic beverage purchase at 21 off-sale premises. Two locations sold alcohol to the decoy, 20 of the premises asked for Identification, one did not.

Those who sold to the minor face a minimum fine of \$250, and/or 24 to 32 hours of community service for a first violation. In addition, ABC will take administrative action against the business's liquor license. That may include a fine, a suspension of the liquor license, or the permanent revocation of the license.

ABC is conducting the compliance checks state-wide to reduce the availability of alcohol to minors. Young people under the age of 21 have a higher rate of drunken driving fatalities than the general adult population.

Minor Decoy operations have been conducted by local law enforcement throughout the state since the 1980's. When the program first began, the violation rate of retail establishments selling to minors was as high as 40 to 50 percent. When conducted on a routine basis, the rate has dropped in some cities as low as 10 percent or even below. The latest violation rate state-wide is nearly 17 percent.

In 1994, the California Supreme Court ruled unanimously that use of underage decoys is a valid tool of law enforcement to ensure that liquor licensees are complying with the law.

Funding for this program was provided by a grant from the California Office of Traffic Safety, through the Business, Transportation and Housing Agency.

ABC is a department of the Business, Transportation and Housing Agency, which is under the direction of Secretary Sunne Wright McPeak, a member of the Governor's Cabinet.
